SUMMARY

- 💡 Creative and impact-focused Graphic Designer & Art Director with **15+ years** of experience in **branding, print, digital design, and 3D visualization**. Focused on blending creativity with marketing strategy to enhance engagement and drive business growth.
- 🎨 Expert in **Adobe Suite**, Social Media campaigns, 3D design, and front-end web development. Skilled in leading design teams, maintaining brand consistency, and delivering high-impact visuals across print, web, and advertising platforms.
- 🔗 Seeking a dynamic role where I can **innovate, grow**, and contribute to **impactful design strategies**.

WORK EXPERIENCE

Graphic Designer / Store Admin

🏪 The Chesterfield Shop
📍 Toronto, Ontario, CA
📅 March 2024 - January 2025

- Responsible for the smooth operation of the Yonge Street location store.
- Made sure the showroom was in top condition, presentable and adhered to the brand's image.
- Made sure all signage was on the floor.
- Inventory updates, manufacturer stock, delays and dropped products/covers updates.
- Customer service, assisting sales and management with orders.
- Entering orders on the system.
- Later on promoted to a hybrid graphic design position and assisted the social media manager with graphics for social media, google ads, meta ads and print ads.
- Responsible for website updates, adding new products and UX/UI upgrades which led to an increase in customer traffic.

Art Director

🏪 AMG Media, Marketing Agency
📍 Athens, Greece
📅 January 2023 - December 2023

- Directed the development of advertisements for Google Ads and Social Media Ads. Oversaw the creation of client website banners tailored to specific needs.
- Created and delivered high-impact presentations, effectively showcasing the company's expertise, capabilities, and target audiences, resulting in at least 30% increased client engagement or conversions.
- Generated detailed reports featuring social media metrics monthly for each client, facilitating ongoing campaign efficiency assessment.
- Led the 3D & 2D creation of large-scale printed booths, flags, and branded content for prominent exhibitions such as Youth Events, Gaming Tournaments, and Technology Expos, in addition to printed advertisements deployed in venues like airports, buses, and movie theaters.
- Fostered close collaboration with project managers, the marketing department, and IT specialists to ensure strict adherence to established guidelines and standards throughout all projects.

Lead Graphic Designer

bits and bytes, Internet Gaming Stations

Athens, Greece

November 2017 - November 2022

- Orchestrated the development of digital and print graphics across a network of 30+ subsidiary stores.
- Facilitated direct and meticulous communication with individual store managers and receptionists to ensure alignment with provided brand guidelines.
- Led the creation of branded content for social media platforms, event print designs, and merchandise for the parent company, encompassing items such as stickers, mousepads, lanyards, gaming chairs, bracelets, T-shirts, signage, and other branded materials as per specific requests.
- Creation of graphics for online & offline events for multiple platforms and mediums.

Graphic & Media Designer

Media4u, Marketing Agency

Cholargos, Greece

March 2016 - October 2017

- Spearheaded the creation of diverse multimedia graphics including social media banners, website banners, animated GIFs, and print graphics of varying scales.
- Developed compelling 30-60 second television advertisements tailored to clients' specifications.
- Maintained close collaboration with project managers, marketing specialists, and the IT department to ensure strict adherence to established guidelines and standards throughout the creative process.

Graphic Designer

New York College, Profession Training Institute

Athens, Greece

January 2015 - February 2016

- Managed advertisements for Google Ads and Social Media.
- Produced pamphlets/flyers across professional categories and designed corresponding website banners.
- Collaborated with marketing to ensure adherence to guidelines and standards.

Graphic Designer & E-Commerce Store Manager

2020, Marketing Agency

Athens, Greece

September 2013 - September 2014

- Accountable for developing web store banners and editing product photos for seamless integration into the xcart environment.
- Created print graphics for client orders, including business cards, printed bags, and packaging, ensuring attention to detail and specifications.
- Managed packaging of online orders and coordinated shipments with shipping companies.
